**Eddy**  
**Energy Coach**  
**Emotional | Thoughts**

The **Emotional** technique uses the Power of the subconscious mind (comprised of 95-99% of your thoughts, feelings, emotions, habits, and behavior) that comes through your energy centers. When we have negative subconscious programs, it causes physical symptoms in the present moment. Eddy will coach you through eliminating the negativity in your life.

**Dr. Mark**  
**Chiropractor & Nutritionist**  
**Nutritional | Toxins**

The **Nutritional** technique is a non-invasive system of analyzing the body in order to determine the underlying causes of ill health. When these underlying causes are corrected through safe and natural, nutritional means, the body can repair itself in order to attain and maintain more optimum health.

**Dr. Chip**  
**Chiropractor**  
**Physical | Traumas**

**Chiropractic** provides the Power within you to flow through your body's nervous system with no disruptions or interferences which may block the connection to your organs and energy centers.
